

**FOOD PACKAGING PRODUCTS**

## Packaging inspired by today's food trends

Sabert is a global leader in sustainable and innovative food packaging solutions with operations spanning the globe, including seven domestic manufacturing plants, one domestic recycling facility, two advanced development centers, and four international locations. Driven by changing tastes, trends, and technology breakthroughs, Sabert is helping today's food companies and retailers meet the surging demand for sustainable packaging with products that reach the highest levels of safety, performance, and design. From a broad range of recyclable and compostable materials to solar and geothermal facilities, Sabert's sustainable practices and products drive value by finding better ways to work with minimal environmental impact. Sabert's 40-year legacy of demonstrated progress, and continuous improvement is supported by its culture, strength, of customer relationships and robust capabilities.

### Catering collection

Designed for the Occasion™, our Catering Collection offers upscale presentations at affordable prices, featuring platters, cutlery and more.

### Green collection

Sustainable packaging that performs, our Green Collection features more than 60 certified compostable items.

### Hot collection

Quality packaging that's just right for take-out, our Hot Collection maintains stability and structure under the hottest conditions.

### Kraft collection

Sustainable packaging that delivers, our Kraft Collection has sturdy construction to ensure food is properly insulated and protected.

### Cold collection

Versatile packaging with fresh appeal, our Cold Collection provides great merchandising options for bowls, tubs, produce and lettuce trays featuring tamper-resistant options.
