

TIPPING SYSTEMS

Gratuity payout solution for operational efficiency & compliance

A 3-part digital platform for gratuity and wage distribution.

Fast & efficient, without the use of cash.

- **Admin portal** to load funds digitally to instantly payout gratuities
- **An App + card** for staff to receive and use funds with exclusive banking features

Why operators love Today

Thousands in monthly savings
- Replace admin, meaning more budget for another revenue generator (server, bartender, etc.)

Helps combat tax liability challenges of possession and control

Creates retention with happy team members who have instant and secure access to their tips

Trusted by thousands of leading hospitality brands
